Dear Patient:

Due to many changes in insurance policies, it is no longer an easy task to interpret individual policies. Although we try to stay aware of these changes, it is not always possible. Therefore we urge you, as the patient, to please check with your insurance company prior to any office visit or procedures. It is your responsibility to know your individual coverage. Failure to comply with this suggestion could result in you, the patient, being responsible for all costs incurred during your office visit. Again, your insurance policy is between you and your insurance company and not between your insurance company and your doctor. Also, any lab work done by an outside company is a separate charge.

\*A copy of the Notice of Privacy Practices was available to me to read in the office, and I have no further questions regarding it.
